MEMO 1

How would you organize a bunch of books at the library?

MEMO 1

Sort by author last name, then look for a message.

MEMO 1: INTERPRETING THE MESSAGE

The last name SMALL links with the first name
BIGALOW.

PREVIOUSLY: MEMO 1

Sort by author last name, then read the middle initials.

MEMO 1: LINKING NAMES

Make 6 loops using opposites.

SMALL with BIG.

YES with NO.

WET with DRY.

MEMO 1: LINKING NAMES

Make 6 loops by finding pairs of opposites in the last and first names, e.g.

Small  Big... / ...yes  No... / ...wet  Dr. Y...

Then use the titles to find a word in each loop.

MEMO 2

Re-use the connections you've established between pairs of books.

PREVIOUSLY: MEMO 1

Make 6 loops by linking opposite last and first names.
The first letters of the titles in a loop make a word.

MEMO 2

Bookstore taglines match the pairs of opposite names from Memo 1. Look at first letters of bookstore names.
