

Back to School

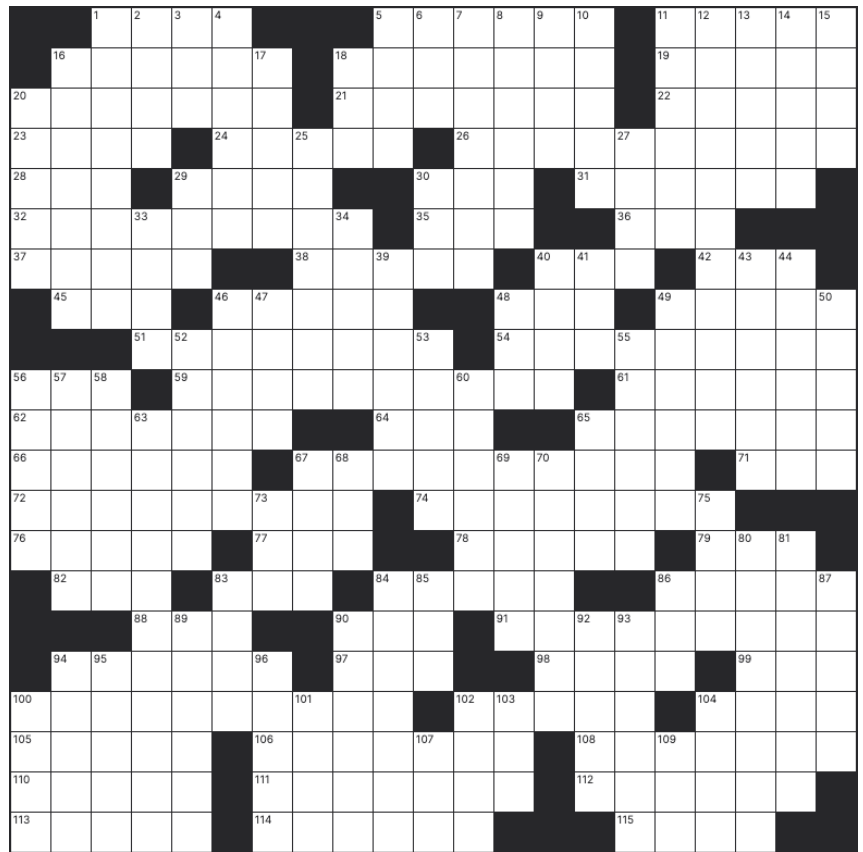

by Mao Reynolds & Sandy Weisz

It's fall, which means it's time to go back to school. Seven different schools are having trouble with students cutting class. The starred clues will help you figure out which schools they are. Once you find them, use seven other entries to determine one more school — a place to which we suggest these truants transfer.

ACROSS

1. North Carolina governor
Stein
5. Dishes similar to biryani
11. Artist's appliance
